

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF INDIANA

DAIMEON MOSLEY,

Plaintiff,

CASE NO.:

INJUNCTIVE RELIEF SOUGHT

vs.

KOHL'S DEPARTMENT STORES, INC.,
d/b/a KOHL'S,

Defendant.

_____ /

COMPLAINT

Plaintiff, DAIMEON MOSLEY ("Plaintiff"), by and through undersigned counsel, hereby files this Complaint and sues KOHL'S DEPARTMENT STORES, INC. d/b/a KOHL'S ("Defendant") for declaratory and injunctive relief, attorneys' fees, expenses and costs (including, but not limited to, court costs and expert fees) pursuant to 42 U.S.C. §12182 et. seq., and the 2010 Americans with Disabilities Act ("ADA"), and alleges as follows:

JURISDICTION AND VENUE

1. This Court is vested with original jurisdiction over this action pursuant to 28 U.S.C. §1331 for Plaintiff's claims arising under Title 42 U.S.C. §12182 et. seq., based on Defendant's violations of Title III of the ADA. *See also* 28 U.S.C. §§2201 and 2202 as well as the 2010 ADA Standards.

2. Venue is proper in this Court, pursuant to 28 U.S.C. §1391(B) and the Internal Operating Procedures for the United States District Court of the Northern District of Indiana, in that all events giving rise to the lawsuit occurred in St. Joseph County, Indiana.

PARTIES

3. Plaintiff, DAIMEON MOSLEY, is a resident of the state of Arizona, Maricopa County, is permanently disabled at all times relevant and material to this lawsuit, and is otherwise *sui juris*.

4. Upon information and belief, Defendant is the lessee, operator, owner and/or lessor of the Real Property, which is subject to this lawsuit, and is located at 4410 Grape Road, Mishawaka, Indiana 46545 (“Property 1”) and is the owner of the improvements where Property 1 is located.

5. Upon information and belief, Defendant is the lessee, operator, owner and/or lessor of the Real Property, which is subject to this lawsuit, and is located at 2415 Sagamore Parkway, Lafayette, Indiana 47905 (“Property 2”) and is the owner of the improvements where Property 2 is located.

6. Property 1 and Property 2 are hereinafter referred to collectively as “Premises”.

7. The Premises are places of public accommodation.

8. Defendant is authorized to conduct, and is in fact conducting, business within the state of Indiana.

9. Plaintiff is an individual with numerous permanent disabilities, including but not limited to, permanent paralysis, degenerative discs and scoliosis caused by his being infected with the West Nile Virus in 2003. These conditions cause Plaintiff to suffer from sudden onsets of severe pain, experience seizures and require Plaintiff to use a mobility device, all of which substantially limits Plaintiff’s major life activities. Plaintiff, as both a performer in a music band that tours and as an individual, visits Indiana and will certainly return in the future. Plaintiff also

has family that resides in Kalamazoo, Michigan, and he travels to the surrounding areas of Illinois and Michigan.

10. At the time of Plaintiff's visits to Property 1 on both August 3, 2016 and July 18, 2017 and Property 2 on August 1, 2016 (and prior to instituting this action), Plaintiff suffered from a "qualified disability" under the ADA and required accessible means of entry at the Premises. Plaintiff personally visited the Premises, but was denied full and equal access and full and equal enjoyment of the facilities, services, goods and amenities within the Premises, even though he was a "bona fide patron".

11. Plaintiff, in his individual capacity, will absolutely return to the Premises and avail himself to the services offered at the Premises in the future once Defendant modifies the Premises or modifies the policies and practices to accommodate individuals who have physical disabilities.

12. Plaintiff is continuously aware of the violations at Defendant's Premises and is aware that it would be a futile gesture to return to the Premises as long as those violations exist, and Plaintiff is not willing to suffer additional discrimination.

13. Plaintiff has suffered, and will continue to suffer, direct and indirect injury as a result of Defendant's discrimination until Defendant is compelled to comply with the requirements of the ADA.

14. Plaintiff would like to be able to be a patron of the Premises in the future and be able to enjoy the goods and services that are available to the able-bodied public, but is currently precluded from doing so as a result of Defendant's discriminatory conduct as described herein. Plaintiff will continue to be precluded from using the Premises until corrective measures are taken at the Premises to eliminate the discrimination against persons with physical disabilities.

15. Completely independent of his personal desire to have access to this place of public accommodation free of illegal barriers to access, Plaintiff also acts as a “tester” for the purpose of discovering, encountering and engaging discrimination against the disabled in public accommodations. When acting as a “tester”, Plaintiff employs a routine practice. Plaintiff personally visits the public accommodation; engages all of the barriers to access, or at least of those that Plaintiff is able to access; tests all of those barriers of access to determine whether and the extent to which they are illegal barriers to access; proceeds with legal action to enjoin such discrimination; and subsequently returns to the Premises to verify its compliance or non-compliance with the ADA and to otherwise use the public accommodation as members of the able-bodied community are able to do. Independent of other subsequent visits, Plaintiff also intends to visit the Premises regularly to verify its compliance or non-compliance with the ADA, and its maintenance of the accessible features of the Premises. In this instance, Plaintiff, in Plaintiff’s individual capacity and as a “tester”, visited the Premises, encountered barriers to access at the Premises, engaged and tested those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access and the ADA violations set forth herein. It is Plaintiff’s belief that said violations will not be corrected without Court intervention, and thus Plaintiff will suffer legal harm and injury in the near future.

16. Plaintiff, in his capacity as a tester, will absolutely return to the Premises when Defendant modifies the Premises or modifies the policies and practices to accommodate individuals who have physical disabilities to confirm said modifications have been completed in accordance with the requirements of the ADA.

VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

17. Plaintiff adopts and re-alleges the allegations stated in paragraphs 1 through 16 above as if fully stated herein.

18. On July 26, 1990, Congress enacted the Americans With Disabilities Act (“ADA”), 42 U.S.C. §12101 et. seq. Commercial enterprises were provided one and a half (1.5) years from enactment of the statute to implement its requirements. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if Defendant has ten (10) or fewer employees and gross receipts of \$500,000.00 or less. *See* 42 U.S.C. §12182; *see also* 28 C.F.R. §36.508(a).

19. Congress found, among other things, that:

- a. some 43,000,000 Americans have one or more physical or mental disabilities, and this number shall increase as the population continues to grow older;
- b. historically, society has tended to isolate and segregate individuals with disabilities and, despite some improvements, such forms of discrimination against disabled individuals continue to be a pervasive social problem, requiring serious attention;
- c. discrimination against disabled individuals persists in such critical areas as employment, housing, public accommodations, transportation, communication, recreation, institutionalization, health services, voting and access to public services and public facilities;
- d. individuals with disabilities continually suffer forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria,

segregation, and relegation to lesser services, programs, benefits, or other opportunities; and

- e. the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our country is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and nonproductivity.

42 U.S.C. §12101(a)(1)-(3),(5) and (9).

20. Congress explicitly stated that the purpose of the ADA was to:

- a. provide a clear and comprehensive national mandate for elimination of discrimination against individuals with disabilities;
- b. provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and
- c. invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced on a daily basis by people with disabilities.

42 U.S.C. §12101(b)(1)(2) and (4).

21. Pursuant to 42 U.S.C. §12182(7), 28 CFR §36.104 and the 2010 ADA Standards, Defendant's Premises is a place of public accommodation covered by the ADA by the fact it provides services to the general public and must be in compliance therewith.

22. Defendant has discriminated, and continues to discriminate against Plaintiff and others who are similarly situated by denying access to and full and equal enjoyment of goods, services, facilities, privileges, advantages and/or accommodations located at the Premises, as

prohibited by 42 U.S.C. §12182, and 42 U.S.C. §12101 et. seq., and by failing to remove architectural barriers pursuant to 42 U.S.C. §12182(b)(2)(A)(iv).

23. Plaintiff has visited the Premises and has been denied full and safe equal access to the facilities, and therefore suffered an injury in fact.

24. Plaintiff will return and enjoy the goods and/or services at the Premises on a spontaneous, full and equal basis. However, Plaintiff is precluded from doing so by Defendant's failure and refusal to provide persons with disabilities with full and equal access to its facilities at the Premises. Therefore, Plaintiff continues to suffer from discrimination and injury due to the architectural barriers that are in violation of the ADA.

25. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of the Attorney General promulgated Federal Regulations to implement the requirements of the ADA. *See* 28 CFR §36 and its successor the 2010 ADA Accessibility guidelines (hereinafter referred to as "ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000.00 for the first violation and \$110,000.00 for each subsequent violation¹.

I. Property 1.

26. Based on a preliminary inspection of Property 1, Defendant is in violation of 42 U.S.C. §12182 et. seq. and the 2010 ADA Standards et. seq., and is discriminating against Plaintiff as a result of, *inter alia*, the following specific violations found:

¹ Effective April 1, 2014 the civil penalties were increased, based on inflation, from \$55,000.00 to \$75,000.00 for the first violation and from \$110,000.00 to \$150,000.00 for subsequent violations. *See* 28 C.F.R. §§36 and 85.
